Plan Exclusions

- Services which are covered under worker's compensation or employer's liability laws.
- Services which are not necessary for the patient's dental health as determined by the Plan.
- Cosmetic, elective or aesthetic dentistry except as required due to accidental bodily injury to sound natural teeth as determined by the Plan.
- Oral surgery requiring the setting of fractures or dislocations.
- Services with respect to malignancies, cysts or neoplasms, hereditary, congenital, mandibular prognathism or development malformations where, in the opinion of the Plan, such services should not be performed in a dental office.
- Dispensing of drugs.
- Hospitalization for any dental procedure.
- Treatment required for conditions resulting from major disaster, epidemic, war, acts of war, whether declared or undeclared, or while on active duty as a member of the armed forces of any nation.
- Replacement due to loss or theft of prosthetic appliance.
- Procedures not listed as covered benefits under this Plan.
- Services obtained outside of the dental office in which enrolled and that are not preauthorized by such office or the Plan (with the exception of out-of-area emergency dental services).
- Services related to the treatment of TMD (Temporomandibular Disorder).
- Services related to procedures that are of such a degree of complexity as to not be normally performed by a Participating General Dentist. Above copayments do not apply when performed by a Participating Specialist (with the exception of orthodontics). Participating Specialists, if available, have entered into an agreement with the Plan to provide dental services to members at a 25% reduction from their Usual, Customary and Reasonable (UCR) fees. This means that Member will be responsible for 25% of the lesser of a Participating Specialist's UCR fee; or the amount the provider has agreed to accept. Members must directly contact the Participating Specialist to obtain fees, as the amount varies by provider.
- Elective surgery including, but not limited to, extraction of non-pathologic, asymptomatic impacted teeth as determined by the Plan.
- The Invisalign system and similar appliances are not a covered benefit. Patient copayments will apply to the routine orthodontic appliance portion of services only. Additional costs incurred will become the patient's responsibility.
- Any bill, or demand for payment, for a service that the regulatory board determines was provided as a result of a prohibited referral. "Prohibited referral" means a referral prohibited by Section 1-302 of the Maryland Health Occupations Article.

Plan Limitations

- Two (2) evaluations are covered per Plan Year per patient including a maximum of one (1) comprehensive evaluation.
- One (1) problem focused exam is covered per Plan Year per patient.
- Two (2) teeth cleanings (prophylaxis) are covered per Plan Year per patient (one additional cleaning is covered during pregnancy and for diabetic patients).
- One (1) topical fluoride or fluoride varnish is covered per Plan Year per patient.
- Two (2) bitewing x-rays are covered per Plan Year per patient.
- One (1) set of full mouth x-rays or panoramic film is covered every three (3) years per patient.
- Replacement of a filling is covered if it is more than two (2) years from the date of original placement.
- Replacement of a bridge, crown or denture is covered if it is more than seven (7) years from the date of original placement.
- Crown and bridge fees apply to treatment involving five or fewer units when presented in a single treatment plan.
- Relining and rebasing of dentures is covered once every 24 months per patient.
- Retreatment of root canal is covered if it is more than two (2) years from the original treatment.
- Root planing or scaling is covered once every 24 months per quadrant per patient.
- Full mouth debridement is covered once per lifetime per patient.
- Procedure Code D4381 is limited to one (1) benefit per tooth for three teeth per quadrant or a total of 12 teeth for all four quadrants per twelve (12) months per patient. Must have pocket depths of five (5) millimeters or greater.
- Periodontal surgery of any type, including any associated material, is covered once every 36 months per quadrant or surgical site per patient.
- Periodontal maintenance after active therapy is covered twice per Plan Year, within 24 months after definitive periodontal therapy, per patient.

Only current ADA CDT codes are considered valid by Dominion Dental Services, Inc. Current Dental Terminology © American Dental Association.

¹ See exclusion #15 and limitation #21 for additional coverage information.		
Only current ADA CDT codes are considered valid by Dominion Dental Services, Inc. Current Dental Terminology © American Dental Association.		
Specialty care is provided at the listed copayment whether performed by a Participating General Dentist or a Participating Specialist. Referrals to a specialist must be made by a member's Participating General Dentist. See Plan Exclusion #12.		

Select Plan *Kids 702xs* (MD) Exclusions

Plan Exclusions

1. Services which are covered under worker's compensation or employer's liability laws.
2. Services which are not necessary for the patient's dental health as determined by the Plan.
3. Cosmetic, elective or aesthetic dentistry except as required due to accidental bodily injury to sound natural teeth as determined by the Plan.
4. Oral surgery requiring the setting of fractures or dislocations.
5. Services with respect to malignancies, cysts or neoplasms, hereditary, congenital, mandibular prognathism or development malformations where, in the opinion of the Plan, such services should not be performed in a dental office.
6. Dispensing of drugs.
7. Hospitalization for any dental procedure.
8. Treatment required for conditions resulting from major disaster, epidemic, war, acts of war, whether declared or undeclared, or while on active duty as a member of the armed forces of any nation.
9. Replacement due to loss or theft of prosthetic appliance.
10. Procedures not listed as covered benefits under this Plan.
11. Services obtained outside of the dental office in which enrolled and that are not preauthorized by such office or the Plan, (with the exception of out-of-area emergency dental services).
12. Services performed by a Participating Specialist without a referral from a Participating General Dentist (with the exception of Orthodontics). A referral form is required. Participating dentists should refer to Specialty Care Referral Guidelines.
13. Elective surgery including, but not limited to, extraction of non-pathologic, asymptomatic impacted teeth as determined by the Plan. The prophylactic removal of these teeth may be covered subject to review .
14. Any bill, or demand for payment, for a dental service that the appropriate regulatory board determines was provided as a result of a prohibited referral. "Prohibited referral" means a referral prohibited by Section 1-302 of the Maryland Health Occupations Article.
15. Non-medically necessary orthodontia and Phase I Treatment for medically necessary orthodontia are not covered benefits under this policy. The provider agreements create no liability for payment by the Plan, and payments by the member for these services do not contribute to the Out-of-Pocket Maximum. The Invisalign system and similar specialized braces are not a covered benefit. See limitation #21 concerning medically necessary orthodontia.

Plan Limitations

1. One (1) evaluation (D0120, D0145, D0150, D0160) is covered two (2) times per calendar year, per patient.
2. One (1) teeth cleaning (D1110 or D1120) is covered two (2) times per calendar year, per patient.
3. One (1) topical fluoride application (D1203 or D1204) is covered two (2) times per calendar year, per patient; four (4) fluoride varnish treatments are covered per calendar year, per patient for children age three (3) and above; eight (8) topical fluoride varnishes are covered per calendar year, per patient up to age two (2).
4. Two (2) bitewing x-rays are covered per calendar year, per patient.
5. One (1) set of full mouth x-rays or panoramic film is covered every three (3) years. Panoramic x-rays are limited to ages six (6) and above. No more than one (1) set of x-rays are covered per provider/location.
6. One (1) sealant per tooth is covered per lifetime, per patient (limited to occlusal surfaces of posterior permanent teeth without restorations or decay).
7. One (1) space maintainer (D1510, D1520, D1515 or D1525) is covered per 24 months, per patient, per arch.
8. Replacement of a filling is covered if it is more than three (3) years from the date of original placement.
9. Replacement of a crown or denture is covered if it is more than five (5) years from the date of original placement.
10. Replacement of a prefabricated resin and stainless steel crown (D2930, D2932, D2933, D2934) is covered if it is more than three (3) years from the date of original placement, per tooth, per patient.
11. Crown and bridge fees apply to treatment involving five (5) or fewer units when presented in a single treatment plan.
12. Relining and rebasing of dentures is covered once per 24 months, per patient, only after six (6) months of initial placement.
13. Root canal treatment and retreatment of previous root canal are covered once per lifetime, per tooth.
14. Periodontal scaling and root planing (D4341 or D4342), osseous surgery (D4260 or D4261) and gingivectomy or gingivoplasty (D4210 or D4211) are limited to one (1) per 24 months, per patient, per quadrant.
15. Full mouth debridement is covered once per 24 months, per patient.
16. Procedure Code D4381 is limited to one (1) benefit per tooth for three teeth per quadrant; or a total of 12 teeth for all four (4) quadrants per 12 months. Must have pocket depths of five (5) millimeters or greater.
17. Periodontal surgery of any type, including any associated material, is covered once every 24 months, per quadrant or surgical site.
18. Periodontal maintenance after active therapy is covered two (2) times per calendar year.
19. All dental services that are to be rendered in a hospital setting require coordination and approval from both the dental insurer and the medical insurer before services can be rendered. Services delivered to the patient on the date of service are documented separately using applicable procedure codes.
20. Anesthesia requires a narrative of medical necessity be maintained in patient records. A maximum of 60 minutes of services are allowed for general anesthesia and intravenous or non-intravenous conscious sedation. General anesthesia is not covered with procedure codes D9230, D9241 or D9242. Intravenous conscious sedation is not covered with procedure codes D9220, D9221 or D9230. Non-intravenous conscious sedation is not covered with procedure codes D9220, D9221 or D9230. Analgesia (nitrous oxide) is not covered with procedure codes D9220, D9221, D9241 or D9242.
21. Orthodontics is only covered if medically necessary as determined by the Plan. There is a 24 month waiting period for medically necessary orthodontia. Patient copayments will apply to the routine orthodontic appliance portion of services only. Additional costs incurred will become the patient's responsibility.
